This is to inform you that on May 14, 2026, the following bill was signed into law:

S.B. NO. 2471, S.D. 2, H.D. 2,
C.D. 2

RELATING TO THE POWERS OF ARTIFICIAL
PERSONS.
ACT 011

Mahalo,

A handwritten signature in black ink that reads "Josh Green M.D.".

Josh Green, M.D.
Governor, State of Hawai'i

1 The legislature further finds that statutes in the State
2 and other jurisdictions have historically included broad grants
3 of corporate powers. State law currently authorizes a
4 corporation to have "the same powers as an individual to do all
5 things necessary or convenient to carry out its business and
6 affairs". The United States Supreme Court has interpreted these
7 broad grants of powers to include powers to make expenditures in
8 connection with elections and ballot measures, and has
9 recognized constitutional rights attached to the exercise of
10 these powers. The legislature declares that these political
11 spending powers were never intended to be among the powers
12 granted to corporations or other artificial persons by the
13 State. The aim of this Act is to make that intent explicit and
14 to define the lawful powers of artificial persons accordingly.

15 The legislature further finds that the federal prohibition
16 on 501(c)(3) nonprofit corporation electioneering has been
17 upheld in federal courts on the basis that those entities
18 receive the benefit of favorable tax settings. This principle
19 also applies to entities chartered in the State, which receive
20 the benefits of favorable tax settings and limited liability
21 protections under state law.

1 The legislature believes that the powers conferred on an
2 artificial person are separate and distinct from the rights
3 retained by natural persons. This Act therefore does not
4 regulate any natural person's rights to speech, petition, or
5 association. This Act simply defines and limits the powers that
6 the State confers upon the artificial persons that the State
7 charters or authorizes to do business.

8 Accordingly, the purpose of this Act is to:

- 9 (1) Reaffirm that artificial persons created under state
10 law possess only those powers that are necessary or
11 convenient to carry out lawful business and
12 organizational purposes, and that those powers do not
13 include the power to spend money or contribute
14 anything of value to influence elections or ballot
15 measures; and
- 16 (2) Establish penalties for violations.

17 SECTION 2. This Act applies to all entities organized
18 under the laws of this State unless expressly identified in
19 statute as a public body corporate and politic. Nothing in this
20 Act shall apply to any agency or instrumentality of the State or
21 its political subdivisions.

1 PART II

2 SECTION 3. Chapter 412, Hawaii Revised Statutes, is
3 amended by adding a new section to part II of article 10, to be
4 appropriately designated and to read as follows:
