
A BILL FOR AN ACT

RELATING TO HEALTH INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that substance use
2 disorder remains a significant public health challenge in the
3 State, and that timely, uninterrupted access to treatment is
4 essential to recovery and community well-being. The legislature
5 further finds that current insurance payment practices,
6 including restrictions on the assignment of benefits, create
7 administrative and financial barriers for treatment providers
8 and patients seeking care. Therefore, the legislature believes
9 that establishing clear rules for the fair assignment of
10 benefits will promote payment transparency, strengthen provider
11 participation, and improve access to life-saving treatment
12 services.

13 The purpose of this Act is to increase access to substance
14 use disorder treatment in the State by requiring health
15 insurance carriers to honor a patient's written assignment of
16 benefits to treatment providers. This ensures providers are
17 paid directly, reduces administrative burdens, and protects

1 patients from the dangers associated with receiving large
2 reimbursement checks after discharge from care.

3 SECTION 2. Chapter 431, Hawaii Revised Statutes, is
4 amended by adding a new section to article 10A to be
5 appropriately designated and to read as follows:

6 **"§431:10A- Fair assignment of benefits for substance use**

7 **disorder services.** (a) A health insurance carrier shall honor
8 and accept a valid written assignment of benefits executed by a
9 covered person for the purpose of directing payment for covered
10 substance use disorder treatment services to the treating
11 provider. Upon receipt of a valid assignment, the health
12 insurance carrier shall issue payment for covered services
13 directly to the substance use disorder treatment provider.

14 Payment made to the provider pursuant to this section shall
15 discharge the insurer's obligation to the extent of the payment
16 made. Payment under this subsection shall be issued within
17 thirty days of receipt of a claim that meets the requirements of
18 section 431:13-108.

19 (b) No health insurance policy, certificate, agreement, or
20 contract delivered, issued for delivery, or renewed in this
21 State shall contain any provision that prohibits, restricts, or

1 renders void the assignment of benefits to a substance use
2 disorder treatment provider. Any clause or provision contained
3 in a policy subject to this subsection shall be unenforceable.

4 (c) The insurance commissioner may adopt rules and take
5 enforcement action necessary to implement this section.

6 (d) The insurance commissioner shall publish annually, by
7 electronic or online publication on the official website of the
8 insurance division, a summary of compliance trends, assignments
9 of benefits honored or denied, and enforcement actions taken.

10 (e) A substance use disorder treatment provider who is
11 denied payment by a health insurance carrier despite a valid
12 assignment may bring a civil action to compel compliance and may
13 be awarded injunctive relief, actual damages, interest,
14 reasonable attorneys' fees, and costs.

15 (f) A violation of this section shall constitute an unfair
16 or deceptive act or practice under section 431:13-103.
