
A BILL FOR AN ACT

PROPOSING AMENDMENTS TO ARTICLE III OF THE CONSTITUTION OF THE
STATE OF HAWAII TO ESTABLISH LEGISLATIVE TERM LIMITS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that reasonable limits on
2 legislative service promote fresh perspectives, broaden
3 opportunities for civic participation, and strengthen public
4 confidence in representative government. Establishing an
5 aggregate limit on legislative service ensures a balance between
6 institutional knowledge and responsiveness to the evolving needs
7 of the public.

8 The legislature further finds that proposals to establish
9 legislative term limits have been introduced in prior
10 legislative sessions but have not been enacted. In recognition
11 of the inherent challenges associated with asking currently
12 serving legislators to vote on measures that would directly
13 affect their own tenure, this Act is designed to apply
14 prospectively.

15 Accordingly, the purpose of this Act is to establish a
16 lifetime aggregate limit on service in the legislature that

1 applies only to individuals who first assume legislative office
2 in 2026 or thereafter, thereby relieving existing members of any
3 immediate personal impact while ensuring that future legislative
4 service is subject to reasonable and clearly defined limits.

5 SECTION 2. Article III of the Constitution of the State of
6 Hawaii is amended by adding a new section to be appropriately
7 designated and to read as follows:

8 **"MAXIMUM LENGTH OF SERVICE"**

9 **Section** . No person shall serve more than twenty-four
10 total years of legislative service in the legislature, whether
11 such service is rendered in the house of representatives, the
12 senate, or any combination thereof. No person shall be eligible
13 to be elected or appointed to the house of representatives or
14 senate if the term sought would cause the person's total years
15 of legislative service to exceed twenty-four years.

16 Service in either chamber shall be aggregated for purposes
17 of calculating the total years of legislative service.

18 Any partial term served by election or appointment shall be
19 included in the calculation of total years of legislative
20 service.

1 This section shall not apply to the legislative terms for
2 those legislators who were elected or appointed to serve in
3 either house of the legislature on or prior to December 31,
4 2025. Nothing in this section shall be construed to shorten or
5 otherwise affect the term of any legislator who assumed office
6 on or prior to December 31, 2025.

7 For the purposes of this section:

8 "Legislative service" means service as a member of the
9 house of representatives or senate, whether by election or
10 appointment.

11 "Term of office" includes any partial term served by
12 election or appointment.

13 "Total years of legislative service" means the cumulative
14 number of years served in either or both houses of the
15 legislature."

16 SECTION 3. The question to be printed on the ballot shall
17 be as follows:

18 "Shall a person appointed or elected to the legislature
19 after January 1, 2026, be limited to serving no more than
20 twenty-four years as a member of the legislature, whether
21 as a member of the house of representatives, a member of

1 the senate, or any combination thereof, during the person's
2 lifetime?"

3 SECTION 4. New constitutional material is underscored.

4 SECTION 5. This amendment shall take effect upon
5 compliance with article XVII, section 3, of the Constitution of
6 the State of Hawaii.
