
A BILL FOR AN ACT

RELATING TO HAWAIIAN AFFAIRS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the royal mausoleum,
2 also known as Mauna 'Ala in 'Ōlelo Hawai'i, is the sacred resting
3 place of the ali'i of the Kamehameha and Kalākaua dynasties,
4 among other high chiefs of Hawai'i. This wahi pana holds deep
5 cultural, historical, and spiritual significance for Native
6 Hawaiians and the people of Hawai'i. Mauna 'Ala embodies the
7 mana of the ali'i and the cultural practice of mālama iwi kūpuna,
8 expressing the enduring respect for the ancestors who shaped
9 Hawai'i's history and identity.

10 Since its transfer to the department of land and natural
11 resources in 1967, Mauna 'Ala has been maintained by the State.
12 However, the legislature finds that concerns have arisen from
13 Native Hawaiian organizations, the Ali'i trusts, and cultural
14 descendants about ensuring that all management decisions uphold
15 traditional protocols, respect genealogical ties, and preserve
16 the sanctity of the site.

1 The legislature believes that a permanent body dedicated
2 exclusively to the protection and management of Mauna 'Ala will
3 provide the necessary cultural guidance, policy continuity, and
4 community oversight to safeguard the site for future
5 generations.

6 Accordingly, the purpose of this Act is to establish the
7 royal mausoleum commission under the department of land and
8 natural resources to ensure the respectful stewardship,
9 preservation, and appropriate management of the royal mausoleum,
10 or Mauna 'Ala, in accordance with Hawaiian cultural traditions
11 and values.
