## A BILL FOR AN ACT

RELATING TO THE ARTS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1 SECTION 1. The legislature finds that participation in the  
2 arts supports health and well-being by improving emotional  
3 regulation, communication, confidence, and social connection.  
4 The legislature further finds that specialized arts programs and  
5 therapeutic arts interventions can provide meaningful academic,  
6 social, and emotional benefits for individuals with autism,  
7 attention-deficit/hyperactivity disorder, and other  
8 neurodivergent conditions, particularly in underserved  
9 communities where access to supportive services may be limited.

10 Therefore, the purpose of this Act is to appropriate funds  
11 to the state foundation on culture and the arts to:

12 (1) Continue and scale arts and health programming for  
13 underserved and neurodiverse populations; and  
14 (2) Establish a position within the state foundation on  
15 culture and the arts to support the implementation,  
16 coordination, and sustainability of these programs  
17 statewide.

1 SECTION 2. The state foundation on culture and the arts  
2 shall establish one full-time equivalent (1.0 FTE) position to  
3 support implementation and coordination of specialized arts  
4 programs and therapeutic arts interventions for underserved and  
5 neurodiverse populations.

6 SECTION 3. There is appropriated out of the general  
7 revenues of the State of Hawaii the sum of \$170,000 or so much  
8 thereof as may be necessary for fiscal year 2026-2027 as  
9 follows:

10 (1) \$63,452 to continue and scale specialized arts  
11 programs and therapeutic arts interventions tailored  
12 to the needs of individuals with autism, attention-  
13 deficit/hyperactivity disorder, and other  
14 neurodivergent conditions; and  
15 (2) \$106,548 to establish the position established in  
16 section 2 of this Act.

17 The sum appropriated shall be expended by the state  
18 foundation on culture and the arts for the purposes of this Act.

19 SECTION 4. This Act shall take effect on July 1, 2026.

H.B. NO. 2605

1

INTRODUCED BY:

JAN 28 2026

# H.B. NO. 2605

**Report Title:**

Arts and Health; State Foundation on Culture and the Arts; Specialized Arts Programs; Therapeutic Arts Interventions; Underserved and Neurodiverse Populations; Position; Appropriation

**Description:**

Establishes a position within the State Foundation on Culture and the Arts to support implementation and coordination of specialized arts programs and therapeutic arts interventions for underserved and neurodiverse populations. Appropriates funds for the position.
