

JAN 23 2026

A BILL FOR AN ACT

RELATING TO DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the stadium
2 development district was established in 2019 within the Hawaii
3 community development authority pursuant to part IX of
4 chapter 206E, Hawaii Revised Statutes.

5 Subsequently, in 2022, the legislature created a transit-
6 oriented development infrastructure improvement program within
7 the Hawaii community development authority, pursuant to part X
8 of chapter 206E, Hawaii Revised Statutes. In establishing this
9 program, the legislature found that the "construction,
10 installation, and improvement of certain infrastructure is
11 necessary and desirable to facilitate renewal and redevelopment
12 of areas designated by the State and the counties for transit-
13 oriented development."

14 The legislature finds that one area designated by the city
15 and county of Honolulu for transit-oriented development is the
16 Halawa area transit-oriented development neighborhood, which
17 surrounds the Halawa/Aloha stadium rail station. The State,

1 through the stadium authority and the department of accounting
2 and general services, is currently working with a developer to
3 construct a new Aloha stadium in this transit-oriented
4 development neighborhood.

5 The legislature finds that it is in the best interests of
6 the State to redesignate the stadium development district as the
7 Halawa community development district and to establish the
8 Hawaii community development authority as the zoning and
9 entitlement agency for the district, given the State's interest
10 in developing both:

11 (1) The new Aloha stadium, including the land surrounding
12 the new stadium; and

13 (2) Infrastructure within the Halawa transit-oriented
14 development neighborhood surrounding the Halawa/Aloha
15 stadium rail station.

16 The legislature also finds that it would be in the best
17 interests of the State for the Hawaii community development
18 authority's zoning and entitlement powers to supersede the
19 zoning and entitlement powers of the city and county of Honolulu
20 for the area constituting the district upon the adoption of

1 necessary plans and rules by the Hawaii community development
2 authority.

3 Through the normal process of overseeing the Halawa
4 community development district, the Hawaii community development
5 authority may assess and impose regulatory and service fees and
6 assessments upon beneficiaries of the district, including permit
7 review fees and other fees necessary to cover the Hawaii
8 community development authority's costs of maintaining,
9 regulating, and providing services to beneficiaries of and for
10 the district. As the Hawaii community development authority's
11 responsibilities and obligations for the district would be
12 ongoing, and the costs to maintain, regulate, and provide
13 services may vary from year to year, the general fund
14 appropriation process may not be sufficient to successfully
15 implement the goals of the district. Accordingly, the
16 legislature finds that the establishment of a special fund that
17 satisfies the requirements of section 37-52.3, Hawaii Revised
18 Statutes, is appropriate and necessary to ensure that the
19 district is appropriately developed and maintained.

20 Accordingly, the purpose of this Act is to:

(1) Redesignate the stadium development district as the Halawa community development district;

(2) Amend the respective responsibilities of the stadium authority and Hawaii community development authority as follows:

(A) The stadium authority shall be the sole agency responsible for overseeing and facilitating the planning, design, development, and construction of the:

(i) New stadium and related facilities; and

(ii) Area surrounding the new stadium; and

(B) The Hawaii community development authority's responsibilities shall be limited to:

(i) Regulating land use within the Halawa community development district through its zoning and entitlement powers; and

(ii) Funding, planning, designing, and building infrastructure and public facilities for the Halawa community development district;

(3) Clarify the Hawaii community development authority's consultation and permitting powers with respect to

1 public projects within community development
2 districts;

3 (4) Establish the Halawa community development district
4 special fund; and

5 (5) Appropriate moneys.

6 SECTION 2. Chapter 206E, Hawaii Revised Statutes, is
7 amended by adding a new section to part IX to be appropriately
8 designated and to read as follows:

9 **"§206E- Halawa community development district special**
10 **fund.** (a) There is established in the state treasury the
11 Halawa community development district special fund.
12 Notwithstanding section 206E-16 or any other law to the
13 contrary, the following shall be deposited into the special
14 fund:

15 (1) All revenues, income, and receipts of the authority
16 derived from activities within and outside the
17 district, except for revenues designated for deposit
18 into the stadium development special fund in
19 section 109-3.5;

20 (2) Moneys directed, allocated, or disbursed to the
21 district from government agencies or private

1 individuals or organizations, including grants, gifts,
2 awards, donations, and assessments of landowners for
3 costs to administer and operate the district; and

4 (3) Moneys appropriated to the fund by the legislature.

5 (b) Moneys in the fund shall be used only for the purposes
6 of this part.

7 (c) Investment earnings credited to the assets of the fund
8 shall become part of the fund."

9 SECTION 3. Section 109-1, Hawaii Revised Statutes, is
10 amended by amending subsection (a) to read as follows:

12 economic development, and tourism for administrative purposes
13 only, a stadium authority whose responsibility shall be to
14 maintain, operate, and manage the stadium [~~development~~
