A BILL FOR AN ACT

RELATING TO LANDSCAPE ARCHITECTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii's board of
2 professional engineers, architects, surveyors, and landscape
3 architects (board) previously voted in favor of adopting a
4 uniform standard for landscape architecture licensure developed
5 in 2022 by the Council of Landscape Architectural Registration
6 Boards, of which the board is a member. The Council of
7 Landscape Architectural Registration Boards is a nonprofit
8 organization that works to protect the public's health, safety,
9 and welfare by establishing and promoting professional licensure
10 standards for landscape architects. Its members are the
11 licensure boards across the United States and Canada.

12 The legislature further finds that the board is the entity
13 best suited to determine the eligibility requirements for the
14 licensure of landscape architects in the State and should be
15 authorized to implement standards as it deems appropriate.

16 Accordingly, the purpose of this Act is to authorize the
17 board of professional engineers, architects, surveyors, and

1 landscape architects to determine the appropriate educational,
2 examination, and experience requirements for landscape architect
3 licensure in the State.

4 SECTION 2. Section 464-1, Hawaii Revised Statutes, is
5 amended by adding a new definition to be appropriately inserted
6 and to read as follows:

7 "Board" means the board of professional engineers,

9 section 464-6."
