## A BILL FOR AN ACT

---

RELATING TO STATE SHERIFFS DAY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1 SECTION 1. The legislature finds that sheriffs have served  
2 a critical role in Hawai'i law enforcement for more than one  
3 hundred eighty years, with origins dating back to the reign of  
4 King Kamehameha III. The legislature further finds that the  
5 Office of the Marshal of the Hawaiian Islands was established by  
6 the Act to Organize the Executive Departments of the Government,  
7 signed by King Kamehameha III on April 27, 1846. That Act  
8 created the Office of the Marshal as the highest-ranking law  
9 enforcement officer of the Kingdom, with authority over island  
10 sheriffs appointed for O'ahu, Hawai'i, Maui, and Kaua'i.

11 The legislature recognizes that the Hawai'i sheriff is  
12 unique in American history as the only law enforcement office in  
13 the United States established by a monarch. Early sheriffs and  
14 their deputies symbolized their authority through distinctive  
15 insignia reflecting their direct service to the King and the  
16 Kingdom's legal system.

1        The legislature further finds that, notwithstanding  
2        subsequent governmental transitions, including the overthrow of  
3        the Kingdom, the territorial period, and statehood, the  
4        essential functions and legacy of the sheriff's office have  
5        endured. Most recently, the office of the sheriff was  
6        transferred to the department of law enforcement pursuant to  
7        Act 278, Session Laws of Hawai'i 2022, continuing its vital role  
8        maintaining public safety and the rule of law and providing a  
9        law enforcement presence to all courts in the state judiciary.

10        Accordingly, the purpose of this Act is to formally  
11        recognize April 27 of each year as State Sheriffs Day, in  
12        commemoration of the establishment of the Office of the Marshal  
13        and island sheriffs and in honor of the historic and ongoing  
14        contributions of sheriffs and deputy sheriffs in the State.

15        SECTION 2. Chapter 8, Hawaii Revised Statutes, is amended  
16        by adding a new section to be appropriately designated and to  
17        read as follows:

18        **"§8- State Sheriffs Day.** April 27 of each year shall be  
19        known and designated as State Sheriffs Day in recognition of the  
20        establishment of the Office of the Marshal and island sheriffs  
21        on April 27, 1846, and to honor the historic legacy and

1    continuing service of sheriffs and deputy sheriffs in the State.

2    This day shall not be construed to be a state holiday."

3            SECTION 3. New statutory material is underscored.

4            SECTION 4. This Act shall take effect upon its approval.
