A BILL FOR AN ACT

RELATING TO FEMALE GENITAL MUTILATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that female genital
2 mutilation or cutting (FGM/C) is a harmful practice recognized
3 internationally as a human rights violation and a form of
4 gender-based violence against women and girls. FGM/C has no
5 health benefits and causes lifelong physical and psychological
6 harm, including chronic pain, infections, childbirth
7 complications, and trauma. Though often practiced in secrecy,
8 FGM/C occurs in the State and the United States more broadly.
9 Federal law prohibits FGM/C on minors, but state laws are
10 critical to ensure timely prevention, local enforcement,
11 survivor support, and community engagement.

12 Accordingly, the purpose of this Act is to:

- 13 (1) Establish civil remedies for victims of female genital
14 mutilation;
- 15 (2) Establish the offense of prohibited acts related to
16 female genital mutilation of a minor; and

(3) Amend the statutory definitions of "child abuse or neglect" and "harm" to include prohibited acts related to female genital mutilation.

"§657- Civil action arising from prohibited acts related to female genital mutilation of a minor. (a) A victim of female genital mutilation may bring an action for damages against a person for a violation of section 707- .

(b) If a court determines that an individual violates section 707- , the court may award actual, compensatory, and punitive damages; injunctive relief; and reasonable attorneys' fees and costs.

(c) A civil action under this section may be commenced:

(1) Within ten years after the date the victim was subjected to the act of female genital mutilation pursuant to section 707- ; or

(a) Is required as a matter of custom, tradition, ritual, or religious practice;

1 (b) Was consented to by the minor who was subjected to
2 female genital mutilation; or
