
A BILL FOR AN ACT

RELATING TO BOATING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that small boat harbors
2 and boating facilities are some of the most heavily utilized
3 facilities in the State, for commercial and non-commercial use
4 and by residents and tourists alike. The division of
5 conservation and resources enforcement of the department of land
6 and natural resources is responsible for enforcing all statutes
7 and administrative rules under the department's jurisdiction but
8 spends a large part of its time responding to violations in
9 small boat harbors and boating facilities.

10 The legislature also finds that enforcement efforts at
11 small boat harbors and boating facilities are necessary to
12 ensure public health and safety and to prevent vandalism, theft,
13 trespassing, and squatting. The legislature believes that
