A BILL FOR AN ACT

RELATING TO FOOD HUBS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 313, Session Laws of Hawaii 2022, is
2 amended by amending section 2 to read as follows:

3 "SECTION 2. (a) There is established a five-year food hub
4 pilot program, which shall be administered by the department of
5 agriculture[–] and biosecurity.

6 (b) The food hub pilot program shall:

7 (1) Adopt the United States Department of Agriculture's
8 working definition of "food hub", which means "a
9 centrally located facility with a business management
10 structure facilitating the aggregation, storage,
11 processing, distribution, and/or marketing of
12 locally/regionally produced food products"; and

13 (2) Award grant funding to qualified applicants for the
14 construction of critical infrastructure to establish
15 and expand food hubs in each of the counties,
16 including:

1 (A) Construction or improvement of facilities for
2 aggregation, washing, minimal processing,
3 packaging, cold storage, and other
4 value-additions; and

5 (B) Provision of technical assistance to develop
6 in-state capacity to supply state institutions
7 and other markets.

8 (c) The department of agriculture and biosecurity shall
9 establish criteria for the award of initial start-up grant
10 funding or subsequent expansion funding under the food hub pilot
11 program, including the following provisions:

12 (1) Priority shall be given to organizations having
13 demonstrated experience in aggregation, washing,
14 minimal processing, packaging, cold storage, and other
15 value-additions for delivering local produce to local
16 markets;

17 (2) Qualifying applicants shall include corporations,
18 limited liability companies, partnerships, sole
19 proprietorships, non-profit organizations, and
20 agricultural cooperatives that meet necessary

1 insurance requirements and provide a certificate of
2 vendor compliance with Hawaii compliance express;
3 (3) Applicants seeking to establish a new food hub where
4 none currently exist shall first secure a physical
5 location for the food hub and draft a detailed plan
6 for the food hub's operation, including activities in
7 which the applicant intends to engage, such as serving
8 as a marketplace for buying and selling, or providing
9 certified kitchen space in which multiple farmers may
10 share use of facilities for value-added product
11 development; and

12 (4) Applicants shall explain their intended actions to
13 increase access to locally produced food.

14 (d) The department of agriculture and biosecurity shall
15 require that the receipt of grant funding pursuant to the food
16 hub pilot program be conditioned upon the recipient's compliance
17 with all applicable state and federal food safety laws, rules,
18 and regulations, including the FDA Food Safety Modernization
19 Act, P.L. 111-353, and that Act's provisions on supplier
20 verification[-]; provided that certification under the groupGAP
21 food safety certification program established by the United

1 States Department of Agriculture shall qualify a recipient for
2 grant funding.

3 (e) The department of agriculture and biosecurity shall
4 adopt rules pursuant to chapter 91, Hawaii Revised Statutes, for
5 the administration and operation of the food hub pilot program.

6 (f) The food hub pilot program under this section shall
7 terminate on June 30, 2027."

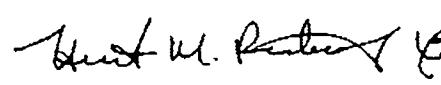

8 SECTION 2. There is appropriated out of the general
9 revenues of the State of Hawaii the sum of \$ or so
10 much thereof as may be necessary for fiscal year 2026-2027 for
11 the continued implementation of the food hub pilot program
12 established pursuant to Act 313, Session Laws of Hawaii 2022.

13 The sum appropriated shall be expended by the department of
14 agriculture and biosecurity for the purposes of this Act.

15 SECTION 3. Statutory material to be repealed is bracketed
16 and stricken. New statutory material is underscored.

17 SECTION 4. This Act shall take effect on July 1, 2026.
