17 achieve these goals; and

5 SECTION 2. The Hawaii technology development corporation
6 shall establish state goals and implement projects to promote
7 economic diversification through innovation and technology. The
8 Hawaii technology development corporation shall adopt rules
9 pursuant to chapter 91, Hawaii Revised Statutes, to effectuate
10 the purposes of this Act.

11 SECTION 3. The Hawaii technology development corporation
12 shall submit annual reports of its findings and recommendations,
13 including any proposed legislation, to the legislature no later
14 than twenty days prior to the convening of each regular session.

15 SECTION 4. There is appropriated out of the general
16 revenues of the State of Hawaii the sum of \$ or so
17 much thereof as may be necessary for fiscal year 2026-2027 to be
18 allocated as follows:

19 (1) \$ to the Hawaii small business innovation
20 research program, to provide matching grants to help
21 companies that received federal small business

1 innovative research or small business technology
2 transfer grants further develop new products to solve
3 critical issues;

4 (2) \$ to the manufacturing assistance program of
5 the Hawaii technology development corporation to help
6 Hawaii-based manufacturers become more globally
7 competitive; and

8 (3) \$ to the accelerator and small business
9 training programs of the Hawaii technology development
10 corporation to help develop companies that are solving
11 large-scale problems in the community using
12 innovative, advanced manufacturing, and
13 technology-based solutions.

14 The sum appropriated shall be expended by the Hawaii
15 technology development corporation for the purposes of this Act.

16 SECTION 5. This Act shall take effect on July 1, 2026.
