A BILL FOR AN ACT

RELATING TO THE PRESCHOOL OPEN DOORS PROGRAM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is difficult for
2 the State to attract sufficiently qualified foster parents to
3 care for young foster children. Added childcare expenses
4 further reduce the pool of suitable foster parents. The
5 legislature further finds that the State's preschool open doors
6 program provides subsidies to eligible families to help pay
7 preschool tuition, for up to two years prior to entering
8 kindergarten. Preschool and other early learning opportunities
9 help children gain essential skills, be prepared for school, and
10 chart a course for lifelong success. The legislature also finds
11 that explicitly including foster children as eligible
12 participants in the preschool open doors program may help expand
13 the pool of potential foster parents for young foster children.

14 Accordingly, the purpose of this Act is to:

- 15 (1) Clarify that the preschool open doors program is open
16 to all children, including children in foster care,

1 who meet the eligibility requirements of the program;

2 and

3 (2) Expand the pool of potential foster parents for young
4 foster children by explicitly including authority for
5 foster parents to enroll their foster child in the
6 preschool program.

8 amended to read as follows:

20 State's two official languages.

(b) Subject to the availability of funds, the program shall continuously serve children who are in the three years before kindergarten entry until they enter kindergarten pursuant to section 302A-411.

(3) An exempt center-based provider that meets the requirements of section 346-152.5.

(d) Participation in the program shall not require group child care centers or group child care homes to be accredited by an approved accredited body.

(e) Enrollment in the program shall be voluntary~~[-]~~ and shall be open to all children, including children in foster care, who meet the age and income eligibility requirements for the program. 1 program through a copayment according to a sliding fee scale
2 that is based on need pursuant to rules adopted by the
3 department.

4 (f) The department may adopt interim rules to carry out
5 the purposes of this section without regard to chapter 91 or
6 201M; provided that:

7 (1) The department shall hold at least one public hearing
8 prior to the adoption of interim rules;

9 (2) The interim rules shall comply with all applicable
10 state and federal laws; and

11 (3) The interim rules shall be effective for no more than
12 one year after their adoption.

13 (g) For purposes of this section:

14 "Foster care" has the same meaning as in section 587A-4.

15 "Foster parent" has the same meaning as in section 587A-4."

16 SECTION 3. Statutory material to be repealed is bracketed
17 and stricken. New statutory material is underscored.

18 SECTION 4. This Act shall take effect upon its approval.
