Honolulu, Hawaii

APR 2 5 , 2025

RE: H.B. No. 235
       H.D. 1
       S.D. 1
       C.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2025
State of Hawaii

Madam and Sir:

    Your Committee on Conference on the disagreeing vote of the
House of Representatives to the amendments proposed by the Senate in
H.B. No. 235, H.D. 1, S.D. 1, entitled:

    "A BILL FOR AN ACT RELATING TO TRAFFIC SAFETY,"

having met, and after full and free discussion, has agreed to
recommend and does recommend to the respective Houses the final
passage of this bill in an amended form.

    The purpose of this measure is to require the Safe Routes to
Schools Advisory Committee to develop and prioritize no less than
three safe routes to schools projects serving schools directly
adjacent to Kamehameha Highway.

    Your Committee on Conference has amended this measure by:

    (1)   Requiring the Department of Transportation to expand the
          use of the photo red light imaging detector and automated
          speed enforcement systems to locations on the North Shore
          of Oahu;

2025-3337 HB235 CD1 HCCR HMSO

(2) Requiring the City and County of Honolulu to educate the public on the expansion of the photo red light imaging detector and automated speed enforcement systems;

(3) Authorizing the Department of Transportation to seek input from the Judiciary and affected communities when selecting locations for the expansion;

(4) Requiring the Department of Transportation to submit a report to the Legislature before the Regular Session of 2026 on the progress of this mandated expansion;

(5) Authorizing, rather than requiring, the Safe Routes to School Advisory Committee to develop and prioritize a maximum, rather than a minimum, of three safe routes to school projects serving schools directly adjacent to Kamehameha Highway;

(6) Changing the effective date to upon approval; and

(7) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the managers of your Committee on Conference that is attached to this report, your Committee on Conference is in accord with the intent and purpose of H.B. No. 235, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Final Reading in the form attached hereto as H.B. No. 235, H.D. 1, S.D. 1, C.D. 1.

Respectfully submitted on behalf
of the managers:

ON THE PART OF THE SENATE

ON THE PART OF THE HOUSE

CHRIS LEE
