Honolulu, Hawaii

RE: S.B. No. 3045
S.D. 1
H.D. 2
C.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Sir and Madam:

Your Committee on Conference on the disagreeing vote of the Senate to the amendments proposed by the House of Representatives in S.B. No. 3045, S.D. 1, H.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO HEALTH INSURANCE,"

having met, and after full and free discussion, has agreed to recommend and does recommend to the respective Houses the final passage of this bill in an amended form.

The purpose of this measure is to:

(1) Beginning January 1, 2027, require all health insurers, mutual benefit societies, and health maintenance organizations in the State, including Medicaid managed care programs, to cover the cost of continuous glucose monitors (CGMs) and related supplies under certain conditions; and

(2) Allow the Department of Health and Department of Human Services to accept and expend funds from public and

private sources to support the expansion of access to CGMs.

Your Committee on Conference finds that diabetes detection and treatment, ongoing self-management, and improved delivery of care are critical for improving health outcomes for residents with diabetes in the State. Your Committee on Conference further finds that CGMs are an evidence-based diabetes management technology that provides real-time glucose data, supports earlier clinical intervention, and improves glycemic control. However, inconsistent insurance coverage for CGMs creates inefficiencies in care delivery and increases the likelihood of higher-cost interventions. This measure requires health insurance coverage for CGMs across health plans, including Medicaid managed care programs, to promote predictable benefits, reduce administrative burden, and support uniform clinical practice.

Your Committee on Conference has amended this measure by:

(1) Inserting an effective date of July 1, 2026; and

(2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the managers of your Committee on Conference that is attached to this report, your Committee on Conference is in accord with the intent and purpose of S.B. No. 3045, S.D. 1, H.D. 2, as amended herein, and recommends that it pass Final Reading in the form attached hereto as S.B. No. 3045, S.D. 1, H.D. 2, C.D. 1.

Respectfully submitted on behalf of the managers:
