Professional Experience

Work Now Hawaii - Founding Executive Director

Honolulu, HI - July 2017 to Present

- Established and maintained the organization's incorporation with the State of Hawaii, compliance with Department of Commerce and Consumer Affairs, Chamber of Commerce, and 501(c)(3) designation by the Internal Revenue Service.
- Created a Transition Age Youth Work Experience Program to provide paid job experience for students in the Hawaii Department of Education.
- Provided job placement, coaching and support for individuals in competitive, community based employment, assisting with initial training and acclimation to the workplace.
- Worked to pair individuals with competitive employment positions that match their interests and abilities, as well as matching business needs, often through the use of custom employment.
- Provided benefits planning services for individuals receiving government support as a Certified Benefits and Work Incentive Practitioner.
- Helped to form and facilitate the Hawaii APSE Chapter, an initiative to help promote Employment First initiatives in the State.
- Served individuals living with intellectual and developmental disabilities, individuals who are deaf or hard of hearing, and individuals living with traumatic brain injuries.
- Provided services at our inclusive, community workspace, Hub Coworking Hawaii, and at remote employer work sites.

Honolulu Jewelry Company - Director of Operations

Honolulu, HI - February 2009 to May 2017

- Established and developed teams of internet marketing, customer service, graphic design and web development professionals that continue to develop and drive profit to the company.
- Created and implemented business applications from the ground up which help organize data and enhance customer experience.
- Managed a team in creating a website and search engine marketing campaigns which generate annual sales with consistent and measurable growth.
- Established new revenue streams which surpassed the old business model and changed the course of the company.
- Helped to create a company culture that encourages personal and professional development and peer support.
- Helped to grow the company from 4 employees to 25 over the period of 8 years.
- Implemented a work experience program for transition age youth living with disabilities for the Hawaii School for the Deaf and Blind.
