#### OTHER SCHOLARLY PROJECTS/RESEARCH

##### National Advisory and Working Group Projects

2020 HHS OMH Culturally and Linguistically Appropriate Service(CLAS) in Maternal Health Care- Online Curriculum aimed at decreasing Maternal Health disparities in minority communities.

2017 HHS, OMH, CLAS Toolkit project "Advancing National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care"- Technical Advisory Group for the development of a toolkit for healthcare practitioners to use in their practices to ensure compliance with CLAS standards.

##### Educational Curricular Research

2006 JABSOM Medical Student Cultural Immersion Pilot project. Piloted cultural immersion weekend in November 2006 for feasibility and efficacy. Pre-post testing showed significant changes and therefore a decision was made to use the validated MAKSS instrument with modifications to evaluate future immersion weekend impacts. Funded by Kuali'i Council, UH Mānoa.

2006 NHCOE CC Curriculum research study. Focus groups looking at content for future Cultural Competency curriculum at JABSOM focused on NH health. Focus groups of medical students (1), NH patients (4) and physician groups (2).

Results helped guide our Cultural Competency curriculum content.  
Two peer reviewed articles from study. Funded by Kuali'i Council, UH  
Mānoa.
