PROFESSIONAL SUMMARY

Kuulei is a seasoned executive and community leader with over 30 years of experience working at the intersection of land use, development, regulatory compliance, and cultural stewardship in Hawai'i. As Executive Vice President of Unlimited Construction Services, Inc., she brings a strong understanding of planning processes, operational oversight, and the real-world impacts of land use decisions on communities, infrastructure, and the environment. Her background combines private-sector leadership with decades of public service, including historic preservation, nonprofit governance, and Native Hawaiian cultural stewardship.
