Re: G.M. 779, Submitting for consideration and confirmation to the Hawai'i Workforce Development Council, Gubernatorial Nominee, MARK PHONGSAVATH, for a term to expire 06-30-2030.

The Department of Labor and Industrial Relations **supports** the confirmation of Mark Phongsavath to the Workforce Development Council.

Mr. Phongsavath brings more than a decade of experience in Hawai'i's electrical and construction trades, advancing from apprentice to journeyman and now serving as a lead organizer with IBEW Local Union 1186. His career path gives him first-hand insight into how workers enter and progress within the trades and the challenges that can interrupt that pipeline. Through mentorship, outreach, and collaboration with contractors and training programs, he has worked to expand access to apprenticeship opportunities and promote high-quality career pathways in industries essential to the state's economic stability.

In his current role, he works directly with labor, employers, and training providers to strengthen Hawai'i's skilled workforce and address persistent shortages in the electrical and construction sectors. He has supported initiatives that build leadership, broaden awareness of trade careers, and improve coordination between workforce partners. His practical, frontline perspective will help the Workforce Development Council craft strategies that reflect the real conditions of Hawai'i's labor market and support the long-term development of the state's skilled workforce.

Thank you for the opportunity to provide testimony in support of Governor's Message 779.

SUBJECT: TESTIMONY IN STRONG SUPPORT OF GM779 - SUBMITTING FOR CONSIDERATION AND CONFIRMATION TO THE HAWAI'I WORKFORCE DEVELOPMENT COUNCIL, GUBERNATORIAL NOMINEE, MARK PHONGSAVATH, FOR A TERM TO EXPIRE 06-30-2030

Chair Elefante, Vice Chair Lamosao, and members of the committee:

The Hawaii State AFL-CIO is in strong support of GM779, confirming Mark Phongsavath to the Hawaii Workforce Development Council.

Mr. Phongsavath began his career in the building trades as an apprentice, advanced to journeyman, and now serves in a leadership role with IBEW Local 1186. That progression gives him firsthand knowledge of how apprenticeship programs connect training to long-term employment and how workforce shortages develop when that pipeline is constrained.

His current work focuses on expanding access to apprenticeship and strengthening the connection between training and industry demand. Both areas are directly relevant to the Hawaii Workforce Development Council's mission and the State's efforts to grow its skilled workforce.

Mr. Phongsavath's perspective will help ensure the Hawaii Workforce Development Council's work remains aligned with industry needs and responsive to workforce challenges.

We urge the committee to advance GM779.
