Statement of the  
**Hawaii Public Housing Authority**

Before the  
**HOUSE COMMITTEE ON HUMAN SERVICES & HOMELESSNESS**

Thursday, February 5, 2026  
9:30 am – Room 329, Hawaii State Capitol

In consideration of  
**HB 1975**  
**RELATING TO KUPUNA HOUSING**

Honorable Chair Marten, Vice Chair Olds, and Members of the House Committee on Human Services & Homelessness:

The Hawaii Public Housing Authority (HPHA) supports House Bill (HB) 1975 which repeals the sunset for the State Rent Supplement Program (RSP) for Kupuna and appropriates funds to continue the program, including staffing to ensure its effective administration.

HPHA appreciates the Legislature's continued commitment to this important program and would welcome the opportunity to make the State RSP for Kupuna a permanent resource for at-risk kupuna across Hawaii. The program has proven to be a targeted and cost-effective tool in preventing eviction and homelessness among elderly residents living on fixed incomes. By providing modest rental assistance, the program helps kupuna remain stably housed in their communities and avoid the far greater social and fiscal costs associated with displacement and homelessness.

Stable access to safe and affordable housing plays a critical role in supporting the health, wellbeing, and quality of life of our kupuna. Reducing housing cost burdens helps alleviate financial stress and contributes to improved mental and physical health outcomes, allowing seniors to age in place with dignity and stability.

HPHA also supports the bill's provision for staffing resources to administer the program. Permanent authorization and staffing will allow HPHA to operate the program efficiently,

ensure timely assistance to participants, and provide consistent coordination with landlords and service providers statewide.

HPHA looks forward to continuing to work with the Legislature and other partners to address Hawaii's housing challenges and views this measure as an important part of the broader, coordinated solution to support our vulnerable residents.

Thank you for the opportunity to provide testimony and for your continued commitment to meeting housing needs of Hawaii's kupuna.

**Testimony COMMENTING on HB1975**  
**Relating to Kupuna Housing**

COMMITTEE ON HUMAN SERVICES AND HOMELESSNESS  
REP. LISA MARTEN, CHAIR  
REP. IKAIKA OLDS, VICE CHAIR

Testimony of Caroline Cadirao  
Director, Executive Office on Aging  
Attached Agency to the Department of Health

Hearing: Thursday, February 5, 2026, 9:30 A.M., Conference Room 329

- 1 **EOA's Position:** The Executive Office on Aging (EOA), an attached agency to the Department
- 2 of Health supports the intent of HB1975 and offers comments. EOA requests that this program
- 3 and appropriation not conflict with, reduce, or replace priorities identified in the executive
- 4 budget.
- 5 **Fiscal Implications:** This measure appropriates \$2,160,000 to the Hawai'i Public Housing
- 6 Authority (HPHA) for FY2026-2027 for the State Rent Supplement Program for Kupuna and
- 7 \$110,160 for FY2026-2027 for two full time equivalent positions within HPHA.
- 8 **Purpose and Justification:** This measure repeals the sunset date and makes the State Rent
- 9 Supplement Program for Kūpuna permanent while appropriating funds for the program and
- 10 necessary staff. As housing costs and inflation continue to rise, many kūpuna, who rely on Social
- 11 Security or other fixed retirement incomes, find it increasingly difficult to meet basic needs. To
- 12 afford rent, older adults are often forced to reduce spending on essential items such as food,

1 transportation, and medication. Even a small disruption in income can place them at risk of  
2 eviction and homelessness.

3 The State Rent Supplement Program for Kūpuna provides critical support by reducing the  
4 financial burden of Hawai‘i’s high rental costs. Consequently, stable housing can improve  
5 physical and mental health, support aging in place, and reduce reliance on emergency shelters.  
6 Making this program permanent will help ensure that older adults have ongoing access to safe,  
7 affordable housing.

8 **Recommendation:** We support the intent of this measure and defer to HPHA for permanent  
9 implementation.

10 Thank you for the opportunity to testify.

**The Hawai'i State Legislature**  
**House Committee on Human Services and Homelessness**  
**Thursday, February 5, 2026**  
**Conference Room 329, 9:30 a.m.**

TO: The Honorable Lisa Marten, Chair  
FROM: Keali'i S. López, State Director  
RE: Support for H.B. 1975 Relating to Kupuna Housing

Aloha Chair Marten and Members of the Committee:

My name is Keali'i Lopez and I am the State Director for AARP Hawai'i. AARP is a nonpartisan, social impact organization that advocates for individuals age 50 and older. We have a membership of nearly 38 million nationwide and nearly 135,000 in Hawaii. We advocate at the state and federal level for the issues that matter most to older adults and their families.

**AARP supports H.B. 1975** which repeals the sunset date for the state rent supplement program that specifically target qualified individuals who are sixty-two years of age or older and are homeless or at imminent risk of becoming homeless.

Hawaii's high cost of housing is making it unaffordable for many, but especially for those at low or fixed income. These residents are more vulnerable of becoming dependent on other family members for shelter, or face homelessness. According to Statista/AARP analysis of census data available by United States Census Bureau (USCB), close to 387 older adults (age 65+) in Hawaii are expected to be evicted in 2026 and more than 1,147 older adults (age 65+) are expected to experience homelessness in 2026 in Hawaii. It is essential to assist older adults from facing housing crisis and therefore, the proposed H.B.1975 will help many vulnerable kūpuna from being displaced from their residence.

Thank you very much for the opportunity to testify in support **H.B. 1975**.

## CATHOLIC CHARITIES HAWAII

### TESTIMONY IN SUPPORT OF HB 1975: RELATING TO KUPUNA HOUSING

TO: House Committee on Human Services & Homelessness  
FROM: Tina Andrade, President and CEO, Catholic Charities Hawai'i  
Hearing: Thursday, February 5, 2026; via Videoconference or Room 329

Chair Marten, Vice Chair Olds, and Members, Committee on Human Services & Homelessness:

Catholic Charities Hawai'i **strongly supports HB 1975**, which makes the State Rent Supplement Program for Kupuna permanent and appropriates funds to the Hawai'i Public Housing Authority (HPHA) for positions to support the program.

Catholic Charities Hawai'i (CCH) is a tax-exempt, community-based organization that has provided social services in Hawai'i for over 78 years, serving over 40,000 people annually across the state. CCH serves elders, children, families, homeless individuals, veterans, and immigrants. Our mission is to provide services and advocate for the most vulnerable people in Hawai'i. We have a long-standing history of leadership in affordable housing, homelessness solutions, and child welfare.

CCH supports this bill to ensure that kupuna, and other low-income households, who are homeless or at imminent risk of homelessness, or pay a high percentage of income for rent, continue to receive critical rental assistance. Making this program permanent would give kupuna and other households who have secured housing through this program the security to remain in these homes. In January, 2026, 601 households, including 300 kupuna households, received this rental subsidy. The total paid out to landlords was \$248,335 for one month. These renters would face homelessness without the ongoing continuation of the program as provided in this bill.

Hawai'i has seen a tragic surge in homeless kupuna. Catholic Charities Hawai'i is witnessing a growing number of elders experiencing homelessness for the first time—often due to losing long-term rental housing as landlords rebuild or renovate, rising rents, losing a household member's income (e.g., due to the death of a spouse or partner), or facing health challenges.

CCH's Housing Assistance Program (HAP) provides housing counseling for O'ahu residents aged 60+ seeking affordable rental housing. Most HAP clients have very low incomes and can only afford \$300 to \$500 per month in rent, making rental assistance essential to prevent homelessness. One HAP client was a 67-year-old male living in a container on a property with no kitchen or bathroom. He was given notice to vacate. He then couch surfed with two of his daughters or stayed in his vehicle. He got accepted into a new affordable senior housing project which offered an "affordable" rent of \$855/month for seniors with incomes below 30% of the area median income (AMI). He was **using more than 80% of his income to pay for rent**. HAP assisted him to apply for Rent Supplement which was a godsend. Now he is housed with a truly affordable rent and can save funds for future needs or even future rent increases.

We urge your support for this bill. If you have any questions, please contact our Legislative Liaison, Betty Lou Larson at (808) 527-4813.

**Re: HB 1975 – Relating to Kupuna Housing – SUPPORT**

Aloha kākou!

LeadingAge Pacific West is pleased to support House Bill 1975, which would make the State Rent Supplement Program for Kupuna permanent and provide the supplemental funding and staffing necessary to sustain this critical homelessness prevention tool for older adults.

LeadingAge Pacific West is a leading advocate for quality, mission-driven housing, care, and services for older adults across the Pacific West region, including Hawai‘i. Our nonprofit members include providers of affordable senior housing, residential care facilities for the elderly (assisted living), life plan communities, skilled nursing care, and home and community-based services.

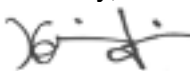

HB 1975 builds on a proven program that has already helped prevent eviction and homelessness among some of Hawai‘i’s most vulnerable kupuna by providing modest rental assistance. As the Legislature has recognized, even relatively small rent subsidies can make the difference between housing stability and homelessness for older adults living on fixed incomes in a state with an exceptionally high cost of living.

We strongly support the bill’s proposal to remove the program’s sunset date and make it permanent. Housing instability among older adults is not a temporary challenge, and permanency provides the predictability needed for both residents and administrators. We also appreciate the bill’s appropriation for additional staffing within the Hawai‘i Public Housing Authority, which will help ensure the program can be administered effectively and responsibly as demand continues to grow.

Preventing homelessness among kupuna not only improves health and quality-of-life outcomes but also helps the state avoid far more costly downstream impacts on emergency services and health care systems. HB 1975 represents a thoughtful, cost-effective investment in housing stability and aging with dignity.

For these reasons, LeadingAge Pacific West is pleased to support HB 1975 and thanks the Committee for its leadership on this important measure. We welcome the opportunity to serve as a resource as this bill moves forward. Please feel free to contact me at [hlinder@leadingageapacificwest.org](mailto:hlinder@leadingageapacificwest.org). Mahalo for the opportunity to provide testimony.

Sincerely,

Harrison Linder  
Assistant Director of Housing Policy
