# A BILL FOR AN ACT

RELATING TO THE UNIFORM PROBATE CODE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that guardianship and  
2 conservatorship proceedings under chapter 560, Hawaii Revised  
3 Statutes, involve matters of a sensitive and private nature for  
4 individuals whose capacity or incapacity becomes the subject of  
5 those court proceedings. A court's determination of a person's  
6 ability to receive and evaluate information, or to make or  
7 communicate decisions, to meet essential requirements for  
8 physical health, safety, or self-care necessarily involves  
9 judicial review of reports, information, evaluations, and  
10 medical records filed in judicial proceedings that describe a  
11 person's mental or physical condition, diagnosis, and prognosis,  
12 among other items of a highly personal and intimate nature.

13           The legislature further finds that court records and  
14 judicial proceedings are presumptively open to the public unless  
15 a compelling reason exists to restrict public access.

16 Accordingly, the purpose of this Act is to amend the procedure  
17 for sealing documents filed in guardianship and conservatorship

1 proceedings to better protect an individual's right to privacy.  
2 This Act distinguishes between certain vital records that are  
3 sealed upon filing by default and other highly sensitive  
4 materials, such as medical records and professional evaluations,  
5 for which this Act establishes a procedure for temporary sealing  
6 upon filing until a court hearing can be held to determine  
7 whether a compelling interest justifies restricting public  
8 access. These amendments are recommended by the state  
9 judiciary's committee on the uniform probate code and probate  
10 court practices, a group consisting of probate judges and  
11 attorneys who practice in the field of probate, trust, and  
12 guardianship law.

13 SECTION 2. Section 560:1-311, Hawaii Revised Statutes, is
