THE SENATE
THIRTY-THIRD LEGISLATURE, 2026
STATE OF HAWAII

ACT 206
S.B. NO. 2001
S.D. 1
H.D. 2
C.D. 1

A BILL FOR AN ACT

RELATING TO THE BANYAN DRIVE COMMUNITY DEVELOPMENT DISTRICT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Waiakea
2 peninsula, which includes Banyan Drive and was historically
3 known as Makaokū, is an area of significant cultural and
4 historical importance to the island of Hawaii. Its strategic
5 location near Hilo town and the sites of the Merrie Monarch
6 Festival make it a primary center for community activities and
7 tourism that supports the State's cultural identity and economy.
8 However, the legislature finds that the area currently requires
9 focused revitalization to address conditions of blight. Issues
10 such as a lack of adequate cultural stewardship, public safety,
11 the declining health of historic banyan trees, poor lighting,
12 and a substandard pedestrian experience have hindered the area's
13 potential and diminished its value to the community.

14 To address these challenges, the legislature determines
15 that regaining state control over lands within the district in
16 the near term is essential for successful renewal. By
17 establishing a community development district under the

1 jurisdiction of the Hawaii community development authority, the
2 area can be revitalized in a way that fosters cultural
3 enrichment and enables cultural activities, events, and uses to
4 coexist effectively with standalone hotel, commercial, and
5 public uses. This transformation will include the development
6 of cultural and public facilities, including recreational,
7 educational, and entertainment spaces that enhance the
8 experience for residents and visitors.

9 The legislature further finds that the ongoing oversight,
10 regulation, and maintenance of the district require a stable and
11 dedicated financial framework. Because the costs of providing
12 these services and maintaining the district's infrastructure may
13 vary from year to year, the general fund appropriation process
14 may not be sufficient to ensure long-term success.

15 Therefore, the purpose of this Act is to:

- 16 (1) Establish the Banyan Drive community development
17 district; and
18 (2) Establish a special fund to provide the Hawaii
19 community development authority with the consistent
20 resources necessary to improve and safeguard the

1 cultural, economic, and social value of this vital
2 area.

3 SECTION 2. Chapter 206E, Hawaii Revised Statutes, is
4 amended by adding a new part to be appropriately designated and

7 any planning, design, development, construction, and maintenance
8 work that the authority is authorized to undertake pursuant to
9 this part.

10 **\$206E- District improvement and maintenance program.**

12 section 206E-4, the authority may establish a district

15 effectuate the establishment and operation of the district
