Aloha President Kouchi, Speaker Nakamura, Members of the Legislature, and Revisor of Statutes:

Pursuant to Section 9 of Act 218, Session Laws of Hawai'i 2023, I hereby notify the Legislature and the Revisor of Statutes that the transfer of all properties authorized to be acquired by Act 218 were recorded with the Bureau of Conveyances on June 22, 2026.

Act 218 authorized the acquisition of the Wahiawā Irrigation System and associated improvements by the Department of Agriculture and Biosecurity, Department of Land and Natural Resources, and Agribusiness Development Corporation. The conveyances authorized by the Act have been completed and recorded in accordance with the requirements of Sections 3 and 9 of Act 218.

The successful completion of these transfers preserves a critical agricultural and water infrastructure asset for the State of Hawai'i and ensures the continued public benefits associated with the Wahiawā Irrigation System.

Accordingly, the condition set forth in Section 9 of Act 218 has been satisfied.
