
A BILL FOR AN ACT

RELATING TO GOVERNMENT CONTRACTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that transparency and
2 accountability in government operations are fundamental to
3 public trust. The legislature also finds that public agencies
4 in the State increasingly rely on private contractors to perform
5 agency functions, including creating, maintaining, or using
6 records critical to public oversight. The legislature believes
7 it is critical to prevent the circumvention of public agencies'
8 transparency obligations through the outsourcing of their agency
9 functions by ensuring that these records remain accessible under
10 chapter 92F, Hawaii Revised Statutes, commonly known as Hawaii's
11 Uniform Information Practices Act.

12 Accordingly, the purpose of this Act is to:

13 (1) Require contractors performing an agency function to
14 retain records related to the performance of that
15 function and provide agencies with access to those
16 records; and

1 (2) Deem the records to be government records under the
2 Uniform Information Practices Act.

3 SECTION 2. Chapter 92F, Hawaii Revised Statutes, is
4 amended by adding a new section to part II to be appropriately
5 designated and to read as follows:

6 "§92F- Government contracts. (a) A contract with an
7 agency to perform an agency function shall require the
8 contractor to:

9 (1) Retain all records related to the performance of that
10 function, following the agency's records retention
11 schedule; and

12 (2) Provide the agency with access to those records upon
13 request.

14 (b) All records retained by a contractor pursuant to this
15 section shall be deemed government records for purposes of this
16 part."

17 SECTION 3. Section 92F-3, Hawaii Revised Statutes, is
18 amended by adding a new definition to be appropriately inserted
19 and to read as follows:

20 "Agency function" means a service, program, or activity
21 that an agency is authorized or required by law to perform."

1 SECTION 4. This Act does not affect rights and duties that
2 matured, penalties that were incurred, and proceedings that were
3 begun before its effective date.

4 SECTION 5. New statutory material is underscored.

5 SECTION 6. This Act shall take effect on July 1, 3000.

Report Title:

UIPA; Government Contracts; Contractors; Public Records

Description:

Requires contractors performing an agency function to retain records related to the performance of that function and provide agencies with access to those records. Deems the records to be government records under the Uniform Information Practices Act. Effective 7/1/3000. (HD1)
