
A BILL FOR AN ACT

RELATING TO THE LAND USE COMMISSION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the time and cost
2 required to construct new housing can be substantially increased
3 by delays in obtaining required permits and approvals.

4 The legislature also finds that according to a study
5 conducted by the university of Hawaii economic research
6 organization, the average length of approval delay in Hawaii is
7 three times the national average. Similarly, research by the
8 Grassroot Institute of Hawaii has found that it can take up to
9 ten years to obtain necessary approvals to develop new housing
10 in the State. These delays increase uncertainty and expenses,
11 which disincentivize development and can considerably increase
12 the cost to build new homes.

13 The legislature further finds that the average price of
14 housing in the State has increased substantially in recent
15 years. In September 2012, the median home price on Oahu was
16 \$637,000. Ten years later, in September 2022, the median home
17 price had skyrocketed to \$1,100,000.

1 The legislature notes that under existing state law, six
2 out of the nine members of the land use commission must
3 affirmatively vote to approve any boundary amendment, regardless
4 of any vacancies or absences among commission members.
5 Adjusting this law may help to expedite the approval process,
6 which will help to accelerate housing development and address
7 the State's excessive permit and approval times.

8 Accordingly, the purpose of this Act is to specify that a
9 simple majority of affirmative votes of the members of the land
10 use commission present at a meeting and qualified to vote is
11 required for any boundary amendment.

12 SECTION 2. Section 205-1, Hawaii Revised Statutes, is
13 amended by amending subsection (a) to read as follows:

14 "(a) There shall be a state land use commission,
15 hereinafter called the commission. The commission shall consist
16 of nine members who shall hold no other public office and shall
17 be appointed in the manner and serve for the term set forth in
18 section 26-34. One member shall be appointed from each of the
19 counties and the remainder shall be appointed at large; provided
20 that one member shall have substantial experience or expertise
21 in traditional Hawaiian land usage and knowledge of cultural

1 land practices. The commission shall elect its chairperson from
2 one of its members. The members shall receive no compensation
3 for their services on the commission, but shall be reimbursed
4 for actual expenses incurred in the performance of their duties.
5 [~~Six~~] A majority of all the members to which the commission is
6 entitled shall constitute a quorum to do business. A two-thirds
7 vote shall be necessary for actions taken by the commission
8 pursuant to article XI, section 3, of the Hawaii State
9 Constitution. A simple majority of affirmative votes of the
10 members present and qualified to vote shall be necessary for any
11 boundary amendment."

12 SECTION 3. This Act does not affect rights and duties that
13 matured, penalties that were incurred, and proceedings that were
14 begun before its effective date.

15 SECTION 4. Statutory material to be repealed is bracketed
16 and stricken. New statutory material is underscored.

17 SECTION 5. This Act shall take effect on July 1, 3000.
