
A BILL FOR AN ACT

RELATING TO SAFE ROUTES TO SCHOOL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that traffic safety
2 around Hawaii's schools must be strengthened to enable and
3 encourage children to walk and bicycle to school and make these
4 transportation alternatives more appealing to students and their
5 families. The legislature further finds that ensuring
6 sufficient funding for projects is a significant part of the
7 safe routes to school program. As such, Act 212, Session Laws
8 of Hawaii 2025, established the safe routes to school program
9 vehicle registration surcharge to be deposited into the safe
10 routes to school special fund to help pay for safe routes to
11 school project. As there is set to be an increase in the
12 funding for safe routes to school projects, the legislature also
13 finds that ensuring that safe routes to school funds are
14 appropriately spent is equally important.

15 Therefore, the purpose of this Act is to clarify
16 eligibility and improve accountability for the use of safe
17 routes to school funds.
