
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF HUMAN SERVICES TO CONVENE A TASK
FORCE TO INCREASE COMMUNITY CARE FOSTER FAMILY HOME
ACCESSIBILITY FOR PRIVATE-PAY INDIVIDUALS.

1 WHEREAS, community care foster family homes are homes
2 regulated by the Department of Human Services that provide
3 twenty-four-hour living accommodations for not more than three
4 clients; and

5
6 WHEREAS, the statutory definition of a community care
7 foster family home, in section 321-481, Hawaii Revised Statutes,
8 generally limits the home's clients to a maximum of one
9 private-pay client at a time, with the other clients being
10 Medicaid recipients; and

11
12 WHEREAS, under certain circumstances, a community care
13 foster family home may have two private-pay clients if the two
14 private-pay clients are married to, or in a civil union with,
15 each other and if various other conditions are satisfied; and

16
17 WHEREAS, the law does not allow two individuals who are not
18 married, or not in a civil union with each other, to reside in
19 the same community care foster family home if both individuals
20 are private-pay clients; and

21
22 WHEREAS, this restriction can make it difficult for some
23 individuals who are in a relationship to find long-term care in
24 the same home; and

25
26 WHEREAS, amending section 321-481, Hawaii Revised Statutes,
27 to allow two unrelated, private-pay individuals to reside in the
28 same community care foster family home could make community care
29 foster family homes more accessible to a portion of Hawaii's

1 aging population, but could also reduce available care for
2 Medicaid recipients; now, therefore,

3
4 BE IT RESOLVED by the House of Representatives of the

6 of 2026, the Senate concurring, that the Department of Human

- 9
10 (1) Creating a more expedient application process for
11 private-pay clients who are either married to, or in a
12 civil union with, each other, and who wish to reside
13 in the same community care foster family home; and
14
15 (2) Increasing the availability of community care foster
16 family homes so that two unrelated private-pay
17 individuals may be able to reside in the same
18 community care foster family home; and
19

20 BE IT FURTHER RESOLVED that the task force is requested to
21 comprise the following:
