
A BILL FOR AN ACT

RELATING TO HEALTH INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that substance use
2 disorder remains a significant public health challenge in the
3 State and that timely, uninterrupted access to treatment is
4 essential to recovery and community well-being. The legislature
5 further finds that current insurance payment practices,
6 including restrictions on the assignment of benefits, create
7 administrative and financial barriers for treatment providers
8 and patients seeking care. Therefore, the legislature believes
9 that establishing clear rules for the fair assignment of
10 benefits will promote payment transparency, strengthen provider
11 participation, and improve access to life-saving treatment
12 services.

13 The purpose of this Act is to increase access to substance
14 use disorder treatment in the State by requiring health
15 insurance carriers to honor a patient's written assignment of
16 benefits to treatment providers. This ensures providers are
17 paid directly, reduces administrative burdens, and protects

1 patients from the dangers associated with receiving large
2 reimbursement checks after discharge from care.

3 SECTION 2. Chapter 431, Hawaii Revised Statutes, is
4 amended by adding a new section to article 10A to be
5 appropriately designated and to read as follows:

6 **"§431:10A- Fair assignment of benefits for substance use**
7 **disorder services.** (a) A health insurance carrier shall honor
8 and accept a valid written assignment of benefits executed by a
9 covered person for the purpose of directing payment for covered
10 substance use disorder treatment services to the treating
11 provider. Upon receipt of a valid assignment, the health
12 insurance carrier shall issue payment for covered services
13 directly to the substance use disorder treatment provider.
14 Payment made to the provider pursuant to this section shall
15 discharge the insurer's obligation to the extent of the payment
16 made. Payment under this subsection shall be issued within
17 thirty days of receipt of a claim that meets the requirements of
18 section 431:13-108.

19 (b) No health insurance policy, certificate, agreement, or
20 contract delivered, issued for delivery, or renewed in the State
21 shall contain any provision that prohibits, restricts, or

1 renders void the assignment of benefits to a substance use
2 disorder treatment provider. Any clause or provision contained
3 in a policy subject to this subsection shall be unenforceable.

4 (c) The insurance commissioner may adopt rules and take
5 enforcement action necessary to implement this section.

6 (d) A violation of this section shall constitute an unfair
7 or deceptive act or practice under section 431:13-103.

8 (e) A health insurance carrier shall provide an
9 explanation of benefits to the assigned provider upon request,
10 if the provider presents a valid assignment of benefits, power
11 of attorney, or authorization executed by the covered person in
12 compliance with the Health Insurance Portability and
13 Accountability Act of 1996. A health insurance carrier's
14 failure to provide an explanation of benefits as required by
15 this section shall be considered a violation of state insurance
16 law and shall be subject to enforcement action.
