
A BILL FOR AN ACT

RELATING TO CAMPAIGN CONTRIBUTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that the State's existing
3 campaign finance law prohibiting organizations that receive
4 state contracts from making campaign contributions does not
5 extend to the compensated officers of the organizations or their
6 immediate family members.

7 The legislature also finds that campaign contribution
8 prohibitions do not currently apply to organizations that
9 receive grants from the State. These grantees receive public
10 funds appropriated by a legislative body, similar to state
11 contractors.

12 Accordingly, the purpose of this Act is to reduce the
13 potential for campaign contributions to unduly influence
14 policymaking, maintain public trust in government decision-
15 making, and improve actual and perceived standards of conduct
16 by:

1 SECTION 2. Chapter 27, Hawaii Revised Statutes, is amended
2 by adding a new section to part I to be appropriately designated
3 and to read as follows:

4 "§27- Disclosure of compensated officers and immediate
5 family members for state contracts. (a) Within thirty calendar
6 days of fully executing a state contract exceeding the small
7 purchase threshold described in section 103D-305(a), the
8 contracting state agency shall, pursuant to section 11-355,
9 require the contractor to provide a list of the names of all
10 compensated officers of the contractor and the immediate family
11 members of each officer. The campaign spending commission shall
12 prescribe a standard form and require the contractor to certify
13 the accuracy of the form. Contractors shall update disclosures
14 within thirty calendar days of any change in the officers or
15 immediate family members.

16 (b) The contracting state agency shall make the reported
17 information available electronically to the campaign spending
18 commission within thirty calendar days of fully executing the
19 contract, without obligation to verify accuracy or completeness
20 for purposes of section 11-355.

1 (c) The contracting state agency's responsibility under
2 this section shall be limited to receiving and transmitting the
3 information submitted by the contractor. The contracting state
4 agency shall not be responsible for verifying the accuracy,
5 completeness, or correctness of the information submitted.

6 (d) Failure of a contractor to submit the information
7 required under this section shall constitute a material
8 noncompliance. A contracting state agency may withhold
9 execution, suspend performance, or pursue remedies available
10 under the contract or applicable law until the required
11 information is submitted.

12 (e) For purposes of this section, "immediate family
13 member" and "officer" have the same meanings as those terms are
14 defined in section 11-355."

20 days of fully executing a contract for a state grant exceeding
21 \$250,000, the expending agency executing the contract shall

13 (c) The expending agency's responsibility under this
14 section shall be limited to receiving and transmitting the
15 information submitted by the recipient. The expending agency
16 shall not be responsible for verifying the accuracy,
17 completeness, or correctness of the information submitted.

18 (d) Failure of a recipient to submit the information
19 required under this section shall constitute a material failure
20 to comply with the terms and conditions of the grant. An

1 expending agency may withhold grant funds until the required

8 information submitted by the contractor. The purchasing agency
9 shall not be responsible for verifying the accuracy,
10 completeness, or correctness of the information submitted.

11 (d) Failure of a contractor to submit the information
12 required under this section shall be subject to sections 103D-
13 702 and 103D-707.
