
A BILL FOR AN ACT

RELATING TO LEI.

5 cultural components, are worn and shared in ceremonies,
6 celebrations, and daily life throughout the State.

7 The legislature further finds that the growing
8 commercialization of lei and lei materials has led to increased
9 use of imported plant materials and manufactured components that
10 are marketed using Hawaiian language, imagery, and place names,
11 which may mislead consumers and undermine local growers, lei
12 makers, and cultural practitioners.

13 Accordingly, the purpose of this Act is to:

15 display or expose for sale, or solicit for the sale of any lei
16 or lei materials that are labeled with the term "Hawaii Grown",
17 or any variation of that term, unless the direct material costs

19 were cultivated or harvested within the State comprise at least
20 ninety per cent of the total direct material costs of the lei or
21 lei materials.

9 labeled with the term "Hawaii Made" unless the lei meets the
10 requirements of section 201-3.5.

12 sale, or solicits the sale of any lei or lei materials labeled
13 with the terms "Hawaii Grown" or "Hawaii Made", or any variation

15 compliance with the labeling requirements of this section to the
16 administrator upon request.

18 injunctive relief against a person who is not in compliance with
