
A BILL FOR AN ACT

RELATING TO THE BUDGET.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that state facilities can
2 be used for both public and private activities to further the
3 economic development of the State. Full use of these facilities
4 provides the maximum benefit to the community.

5 The legislature recognizes that the Internal Revenue

15 established within the department of budget and finance a
16 defeasement trust fund into which shall be deposited
17 appropriations made by the legislature. The defeasement trust

1 fund shall be administered by the department of budget and
2 finance and shall be used to take all actions necessary to
3 defease tax-exempt bonds to allow the private use of state
4 facilities that are financed by tax-exempt bonds; provided that
5 the department shall consult with bond counsel before any
6 defeasement to:

7 (1) Assess the specific impacts of the defeasement
8 necessary to allow private activity in state
9 facilities;

10 (2) Evaluate the relevant bonds; and

11 (3) Determine the cost of the defeasement.

12 (b) The defeasement trust fund shall be terminated upon
13 the full payment of all outstanding obligations under the
14 tax-exempt bonds subject to defeasement. Upon termination, any
15 moneys in the defeasement trust fund shall lapse to the general
16 fund."

17 SECTION 3. There is appropriated out of the general
18 revenues of the State of Hawaii the sum of \$ or so
19 much thereof as may be necessary for fiscal year 2026-2027 to be
20 deposited into the defeasement trust fund for the defeasement of
21 certain tax-exempt bonds.

1 SECTION 4. There is appropriated out of the defeasement
2 trust fund the sum of \$ or so much thereof as may be
3 necessary for fiscal year 2026-2027 for the defeasement of
4 certain tax-exempt bonds.

5 The sum appropriated shall be expended by the department of
