# A BILL FOR AN ACT

RELATING TO PREFERRED NAMES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the use of a  
2 transgender or non-binary individual's name assigned at birth,  
3 rather than their chosen name, without their consent, is often  
4 referred to as "deadnaming". Failing to use a student's  
5 preferred name on student records and in campus settings can  
6 undermine the emotional well-being of transgender, indigenous,  
7 minority, and other children, leading to bullying,  
8 discrimination, violence, and loss of educational and economic  
9 opportunities.

10           The legislature further finds that deadnaming in  
11 educational settings is a common practice. Yet, research has  
12 found that using students' chosen and preferred names is  
13 associated with improved mental health outcomes. For example, a  
14 2018 study published in the Journal of Adolescent Health found  
15 that using transgender youths' preferred names in more contexts  
16 was associated with lower rates of depression, suicidal

1 ideation, and suicidal behavior, and that the odds of each were  
2 lowest when preferred names were used in more contexts.

3 The legislature notes that the university of Hawaii has  
4 already adopted a system by which any student may use a  
5 preferred name to foster an inclusive and supportive campus  
6 environment. Accordingly, the purpose of this Act is to require  
7 the department of education to implement a process to allow  
8 students to use preferred names to strengthen inclusivity in  
9 public schools.

10 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is  
11 amended by adding a new section to be appropriately designated  
12 and to read as follows:

13 "§302A- Preferred name for students. (a) The  
14 department shall implement a system by which current or former  
15 students can declare a preferred name to be used in their  
16 records where legal names are not required by law.

17 (b) Upon the request of an individual, the department  
18 shall update any records for current or former students to  
19 include the preferred name. The records shall be updated to  
20 include the following:

21 (1) School-issued email addresses;

1        (2) Campus identification cards;

2        (3) Class rosters;

3        (4) Transcripts; and

4        (5) Diplomas, certificates of completion of courses, or  
5                other similar records.

6        (c) The department shall not charge a fee for correcting,  
7 updating, or reissuing a document or record based on the  
8 declaration of a preferred name.

9        (d) Commencing with the 2026-2027 graduating class, the  
10 department shall provide an option for a graduating student to  
11 request that the diploma to be conferred by the department list  
12 the student's preferred name; provided that the department shall  
13 not require a graduating student to provide legal documentation  
14 to demonstrate a legal name in order to have the student's  
15 preferred name listed on the student's diploma."

16        SECTION 3. New statutory material is underscored.

17        SECTION 4. This Act shall take effect upon its approval.
