
SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF EDUCATION TO DEVELOP A PROPOSAL FOR
A TIERED, COORDINATED, AND STANDARDIZED BELL SCHEDULE
FRAMEWORK FOR DEPARTMENT SCHOOLS.

1 WHEREAS, the State has established minimum instructional
2 hour requirements to ensure that all public school students
3 receive adequate and equitable educations; and
4

5 WHEREAS, currently, the bell schedule for each school is
6 determined at the school level via a collaborative process that
7 affords the school administration flexibility to tailor the
8 allocation of time according to individual academic goals and
9 operational nuances; and
10

11 WHEREAS, as a result, however, school start and end times
12 vary widely across public schools and complex areas, creating
13 challenges for families with children at multiple grade levels,
14 complicating transportation planning, and limiting opportunities
15 for coordination with community programs, athletics, and
16 extracurricular activities; and
17

18 WHEREAS, the absence of standardization across bell
19 schedules also produces operational inefficiencies for the
20 Department of Education, particularly with respect to school bus
21 routing, staffing, professional development planning, and shared
22 services across schools or complex areas; and
23

24 WHEREAS, establishing a coordinated standardized bell
25 schedule framework by school level, while preserving local
26 flexibility within instructional hour requirements, would
27 promote greater predictability, equity, and efficiency across
28 the public education system; and
29

30 WHEREAS, a consistent scheduling structure may also support
31 student well-being by aligning instructional hours with age-

1 appropriate learning needs and facilitating collaboration among
2 educators across schools and complex areas; now, therefore,

3
4 BE IT RESOLVED by the Senate of the Thirty-third
5 Legislature of the State of Hawaii, Regular Session of 2026, the
6 House of Representatives concurring, that the Department of
7 Education is requested to develop a proposal for a tiered,
8 coordinated, and standardized bell schedule framework for
9 department schools; and

10
11 BE IT FURTHER RESOLVED that the proposed tiered,
12 coordinated, and standardized bell schedule framework is
13 requested to:

- 14
15 (1) Comply with all state and federal instructional hours
16 requirements;
17
18 (2) Be organized by school level, including:
19
20 (A) Elementary schools;
21
22 (B) Middle or intermediate schools; and
23
24 (C) High schools; and
25
26 (3) Consider coordination of noninstructional waiver days
27 across schools or complex areas; and
28

29 BE IT FURTHER RESOLVED that the Department of Education is
30 requested to consult with school administrators, teachers,
31 collective bargaining representatives, parents, students, and
32 transportation providers in the development of the proposed
33 framework; and
34

35 BE IT FURTHER RESOLVED that the Department of Education is
36 requested to submit its proposal to the Legislature for further
37 consideration and discussion no later than thirty days prior to
38 the convening of the Regular Session of 2027; and
39

40 BE IT FURTHER RESOLVED that certified copies of this
41 Concurrent Resolution be transmitted to the Superintendent of
Education and Chairperson of the Board of Education.
