SENATE CONCURRENT RESOLUTION

URGING THE DEPARTMENT OF EDUCATION, IN CONSULTATION WITH THE DEPARTMENT OF HEALTH, TO CONDUCT A STUDY ON THE COST AND BENEFITS OF HIRING MENTAL HEALTH PROFESSIONALS FOR EVERY PUBLIC SCHOOL AND OF DISTRIBUTING GUIDELINES ON TELEHEALTH SAFE SPACES.

1 WHEREAS, there is an urgent and growing mental health
2 crisis among the youth of the United States; and

3
4 WHEREAS, according to the Centers for Disease Control and
5 Prevention, rates of depressive symptoms and suicidal thoughts
6 among students have increased significantly in recent years; and

7
8 WHEREAS, in the State, the mental health crisis is made
9 worse by a shortage of mental health professionals; and

10
11 WHEREAS, despite the use of telehealth services to make up
12 for the lack of mental health professionals, young patients
13 utilizing telehealth have declined in recent years, as reported
14 by the Centers for Disease Control and Prevention; and

15
16 WHEREAS, reasons for the decline in the use of telehealth
17 services may be attributed to the absence of a safe and quiet
18 space to conduct impactful virtual sessions, especially during
19 school hours; and

20
21 WHEREAS, public schools play a vital role in addressing the
22 issue of youth mental health due to their supervision over
23 students for most of the hours of the day, for most of the weeks
24 of the year; now, therefore,

25
26 BE IT RESOLVED by the Senate of the Thirty-third
27 Legislature of the State of Hawaii, Regular Session of 2026, the
28 House of Representatives concurring, that the Department of
29 Education, in consultation with the Department of Health, is
30 urged to conduct a study on the cost and benefits of hiring one

1 mental health professional for every two hundred fifty students
2 that are enrolled in a public school and one mental health
3 professional for every public school with fewer than two hundred
4 fifty students; and

5

6 BE IT FURTHER RESOLVED that the study is requested to
7 include an analysis of the costs and benefits arising from the
8 development of guidelines for the establishment and operation of
9 safe spaces for students to access telehealth services on school
10 property during normal school hours and from the distribution of
11 the guidelines to each public middle and high school in the
12 State; and

13

14 BE IT FURTHER RESOLVED that the Department of Education is
15 requested to submit a report of its study, including any
16 findings, recommendations, and proposed legislation, to the
17 Legislature no later than twenty days prior to the convening of
18 the Regular Session of 2027; and

19

20 BE IT FURTHER RESOLVED that certified copies of this
21 Concurrent Resolution be transmitted to the Chairperson of the
22 Board of Education, Superintendent of Education, and Director of
23 Health.
