SENATE CONCURRENT RESOLUTION

REQUESTING THE GOVERNOR'S SENIOR ADVISOR FOR MENTAL HEALTH AND
THE JUSTICE SYSTEM TO FORMULATE A PLAN TO INCREASE ACCESS
TO THE HAWAII STATE HOSPITAL FOR CERTAIN MENTALLY ILL-
CRIMINAL DEFENDANTS.

1 WHEREAS, on February 5, 2024, the Senate Committee on
2 Health and Human Services and the House Committee on Health and
3 Homelessness held a joint hearing to discuss, among other
4 things, the use of behavioral health centers and hospitals to
5 house mentally ill criminal defendants; and
6

7 WHEREAS, at the joint hearing, the Governor's Senior
8 Advisor for Mental Health and the Justice System presented the
9 Sequential Intercept Model, which illustrated points in the
10 system at which individuals with mental health issues move from
11 the care system into the criminal justice system, including a
12 person's initial contact with police, incarceration, and
13 release; and
14

15 WHEREAS, in recent years, the Legislature has made various
16 efforts to fund intercept programs, including the Honolulu
17 Police Department's Health Threat Assessment Team and the
18 Judiciary's Community Outreach Court, but due to limited
19 coordination between State agencies, these programs have
20 resulted in no meaningful reduction in the State's jail
21 population; and
22

23 WHEREAS, according to updates provided by the Department of
24 Health's Adult Mental Health Division, despite having the legal
25 framework and funding in place for new, court-ordered treatment
26 pathways, few individuals have successfully moved through the
27 programs, and only one person was successfully diverted from the
28 criminal justice system; and
29

30 WHEREAS, at an October 20, 2025, hearing of the Senate
31 Committee on Health and Human Services, the Administrator of the

1 Hawaii State Hospital testified that the number of patients at
2 the Hawaii State Hospital exceeded the hospital's planned
3 capacity; and
4

5 WHEREAS, at that hearing, the Administrator of the Hawaii
6 State Hospital also testified that seventy-eight percent of the
7 hospital's population was either being evaluated for fitness to
8 proceed to trial, or had been determined unfit to proceed to
9 trial; and
10

11 WHEREAS, in 2026, Senate Bill No. 3142 was introduced as
12 part of the Governor's package to provide for civil protective
13 custody in lieu of arrest for the crime of dangerous
14 intoxication, and for mandatory treatment for the crime of
15 dangerous habitual intoxication; and
16

17 WHEREAS, at a hearing on the measure, concerns were
18 expressed regarding the lack of suitable placements for persons
19 who are civilly committed or in civil protective custody, given
20 the full capacity at the Hawaii State Hospital; and
21

22 WHEREAS, the Governor's Senior Advisor for Mental Health
23 and the Justice System is uniquely positioned to organize the
24 appropriate state agencies to formulate a plan to create
25 placements for:
26

27 (1) Mentally ill individuals in the State's criminal
28 justice system, regardless of whether the person is
29 being evaluated to determine the person's fitness to
30 proceed to trial; and
31

32 (2) Persons recently released from the Hawaii State
33 Hospital who are at risk of recidivism; now, therefor,
34

35 BE IT RESOLVED by the Senate of the Thirty-third
36 Legislature of the State of Hawaii, Regular Session of 2026, the
37 House of Representatives concurring, that the Governor's Senior
38 Advisor on Mental Health and the Justice System is requested to
39 formulate a plan to create places of shelter for persons under
40 civil commitment and for persons who have been recently released
41 from the Hawaii State Hospital and are at risk of recidivism;
42 and

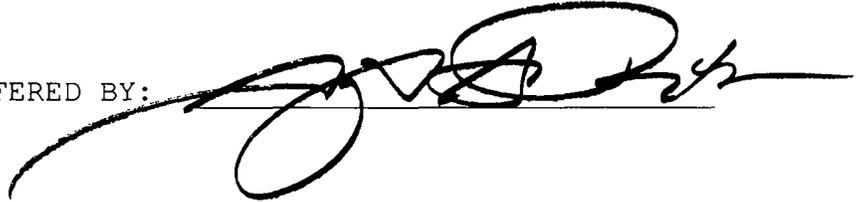

S.C.R. NO. 65

1 BE IT FURTHER RESOLVED, that the Governor's Senior Advisor
2 on Mental Health and the Justice System is requested to submit a
3 report of any findings and recommendations, including any
4 proposed legislation, to the Legislature no later than twenty
5 days prior to the convening of the Regular Session of 2027; and
6

7 BE IT FURTHER RESOLVED that certified copies of this
