

gained broad experience and knowledge about nuclear medicine and radiology technology. Your Committee notes that Ms. Shimata is a radiologic technologist certified in radiography and nuclear medicine technology by the American Registry of Radiologic Technologists, who has worked as a Nuclear Medicine Technologist at Straub Benioff Medical Center since 2018, where she performs diagnostic imaging using radiopharmaceuticals, ensures proper patient care, and standardizes policy and procedures related to nuclear medicine technology at her facility. Previously, Ms. Shimata served as a Radiology Technologist and Radiology Patient Transporter for Medsmart Inc. in Nevada. Ms. Shimata's experience serving in different hospitals, multiple modalities, and another state has given her a broad perspective on radiology and an understanding of the many different aspects of the field. Your Committee further notes that Ms. Shimata served as a member of the Radiologic Technology Board in 2023, and has been serving as an interim member since 2025, and has a thorough understanding of the roles and responsibilities of its members. Your Committee therefore recommends that Rena Shimata be appointed to the Radiologic Technology Board based on her knowledge, experience, and commitment to public service.

DAVID WADSWORTH

Your Committee received testimony in support of the nomination for the appointment of David Wadsworth from the Department of Health and one individual.

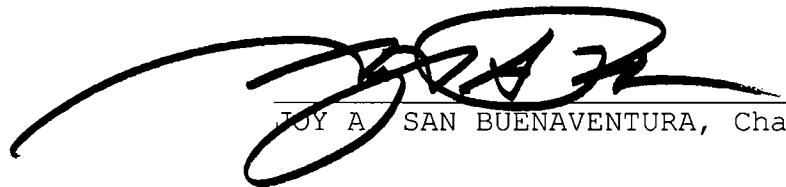

Upon review of the testimony, your Committee finds that Mr. Wadsworth's experience, background, and commitment to public service qualify him for appointment to the Radiologic Technology Board as a member with at least five years of experience who is certified in the practice of radiography. During the course of Mr. Wadsworth's career, he has gained broad experience and knowledge about radiologic technology. Your Committee notes that Mr. Wadsworth is a radiologic technologist certified in radiography by the American Registry of Radiologic Technologists, who has worked as a Surgical Radiologic Technologist at Surgicare of Hawaii since 2021, where he performs diagnostic imaging, supports radiation safety, and assists physicians in the operating room. Mr. Wadsworth has also been serving as a Radiologic Special Procedures Technologist in Urologic Surgical Procedures with The Queen's Medical Center since 2001, where his responsibilities include training junior special procedure technicians. Previously, Mr. Wadsworth served as a Lead Radiographer at The

Queen's Medical Center. Your Committee further notes that Mr. Wadsworth has served as an interim member of the Radiologic Technology Board since 2025 and has a thorough understanding of the roles and responsibilities of its members. Your Committee therefore recommends that David Wadsworth be appointed to the Radiologic Technology Board based on his knowledge, experience, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Health and Human Services that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.
