Your Committee therefore recommends that Jason Seal be appointed to the Advisory Board on Veteran's Services based on his knowledge, background, and dedication to public service.

As affirmed by the records of votes of the members of your Committee on Public Safety and Military Affairs that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.
