

STAND. COM. REP. NO. 1742-26

Honolulu, Hawaii

APR 02 , 2026

RE: H.R. No. 62

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Madame:

Your Committee on Water & Land, to which was referred H.R.
No. 62 entitled:

"HOUSE RESOLUTION REQUESTING THE DEPARTMENT OF TRANSPORTATION
AND DEPARTMENT OF LAND AND NATURAL RESOURCES TO COORDINATE
THE TRANSFER OF SMALL BOAT HARBORS BACK TO THE DEPARTMENT OF
TRANSPORTATION AND TO ESTABLISH A MANAGEMENT TEAM TO DEVELOP
TRANSITION PLANS,"

begs leave to report as follows:

The purpose of this measure is to request the Department of
Transportation and Department of Land and Natural Resources to
coordinate the transfer of all authority, responsibilities,
positions, staff, operations, programs, assets, funds, and
accounts associated with the State's small boat harbors back to
the Department of Transportation.

Your Committee received testimony in support of this measure
from the Department of Transportation. Your Committee received
comments on this measure from the Department of Land and Natural
Resources.

Your Committee finds that there are currently efforts to
return the Small Boat Harbor Program from the Department of Land
and Natural Resources to the Department of Transportation to
better align harbor planning, capital programming, operations, and
maintenance with the State's integrated, multimodal transportation

2026-2884 HR62 HSCR HMSO

system. Your Committee further finds that the transfer of authority, staff, operations, and assets requires a structured transition process, sufficient lead time, and clear accountability to ensure uninterrupted services and responsible stewardship of public resources. Although the actual transfer of full regulatory authority, responsibilities, and jurisdiction over the State's small boat harbors would require statutory amendments, your Committee sees the value in initiating coordinated planning to ensure that any prospective transition proceeds in an orderly and informed manner.

As affirmed by the record of votes of the members of your Committee on Water & Land that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 62 and recommends that it be referred to your Committee on Transportation.

Respectfully submitted on
behalf of the members of the
Committee on Water & Land,

for 

MARK J. HASHEM, Chair
