

STAND. COM. REP. NO. 1323-26

Honolulu, Hawaii

MAR 24 , 2026

RE: S.B. No. 3083  
S.D. 2  
H.D. 1

Honorable Nadine K. Nakamura  
Speaker, House of Representatives  
Thirty-Third State Legislature  
Regular Session of 2026  
State of Hawaii

Madame:

Your Committee on Public Safety, to which was referred S.B. No. 3083, S.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO PROTECTIVE ORDERS,"

begs leave to report as follows:

The purpose of this measure is to require notification to the designated security forces of each branch of the United States military when a protective order is issued in a case involving a military-affiliated individual.

Your Committee received testimony in support of this measure from the United States Office of the Assistant Secretary of War; Judiciary; Department of Business, Economic Development, and Tourism; Hawai'i National Guard; Military and Community Relations Office; Hawai'i State Coalition Against Domestic Violence; and one individual.

Your Committee finds that nearly 58,000 active-duty, National Guard, and reserve military members and over 21,000 spouses of military members are stationed and living in the State. Your Committee further finds that when domestic violence occurs within these households, victims often navigate the civilian and military legal systems, which have not had a formally established arrangement for communicating with one another. This information

gap places victims at increased risk and can delay critical intervention. Your Committee also finds that this measure addresses that gap in a balanced and practical manner by requiring timely information-sharing between the Judiciary, county police departments, Department of Law Enforcement, and military security forces when a protective order is issued.

Your Committee has amended this measure by:

- (1) Changing its effective date to July 1, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Public Safety that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 3083, S.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 3083, S.D. 2, H.D. 1, and be referred to your Committee on Judiciary & Hawaiian Affairs.

Respectfully submitted on  
behalf of the members of the  
Committee on Public Safety,

DELLA AU BELATTI, Chair
