

Honolulu, Hawaii

APR 20, 2026

RE: S.C.R. No. 130
H.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Madame:

Your Committee on Education, to which was referred S.C.R. No. 130 entitled:

"SENATE CONCURRENT RESOLUTION URGING THE DEPARTMENT OF EDUCATION AND DEPARTMENT OF AGRICULTURE AND BIOSECURITY TO JOINTLY DEVELOP A FARMER-TO-INSTITUTION COORDINATION PLAN THAT IS ALIGNED WITH THE AINA KITCHEN NETWORK ROLLOUT,"

begs leave to report as follows:

The purpose of this measure is to urge the Department of Education and Department of Agriculture and Biosecurity to jointly develop a farmer-to-institution coordination plan that is aligned with the AINA Kitchen Network rollout.

Your Committee received testimony in support of this measure from the Hawai'i Farm Bureau; Hawaii Food Industry Association; and one individual. Your Committee received comments on this measure from the Department of Education.

Your Committee finds that Act 175, Session Laws of Hawaii 2021, requires the Department of Education to source thirty percent of school meal ingredients from local producers by 2030. Your Committee further finds that, according to the Auditor's Report No. 26-08, systemic failures were found in the Department of Education's methods to procure local food, including the absence of centralized tracking software, inconsistent

identification of locally sourced products, and discrepancies between internal and reported food cost figures. Your Committee believes that a Farmer-to-Institution Coordination Plan, as requested by this measure, is vital in ensuring that the Department of Education fulfills the requirements of Act 175, Session Laws of Hawaii 2021, to provide locally sourced school meals to students.

Your Committee has amended this measure by:

- (1) Adding additional findings regarding the State's Nourishing Hawai'i Future Initiative; and
- (2) Requesting the Department of Education and Department of Agriculture and Biosecurity to ensure that the Farmer-to-Institution Coordination Plan be complementary to the Nourishing Hawai'i's Future Initiative.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 130, as amended herein, and recommends that it be referred to your Committee on Agriculture & Food Systems in the form attached hereto as S.C.R. No. 130, H.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Education,

for Fresh to Choice
JUSTIN H. WOODSON, Chair
