State will ensure that high school cheer athletes receive equitable access to resources such as certified coaching, athletic training support, facilities, transportation, and safety oversight consistent with other varsity sports.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 194, S.D. 1, and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Education,
