Comments:

I strongly support the consideration and confirmation of Ashley Nishihara. As a public member of the Fuel Tank Advisory Board she asks the hard questions. If she doesn't understand she asks for clarification.

She attends all meetings which can have a length of over 4 hours. She offers a valuable insight through her questions.

She plays an important role on this Board.

Please confirm Ashley for the FTAC.

submitting for consideration and confirmation to the Fuel Tank Advisory Committee, Gubernatorial Nominee, ASHLEY NISHIHARA, for a term to expire 06-30-2028.

Re: GM534 Ashley Nishihara

Aloha:

I strongly **support** Ashley Nishihara's nomination to the Fuel Tank Advisory Committee. I have served on this committee with Ashley for several years and she has been a stalwart advocate for the interests of the general public. She has asked astute questions of the Navy and Dept. of Health and persistently pressed for answers. She has participated with dedication and enthusiasm. I strongly **support** Ashley's nomination to the Fuel Tank Advisory Committee (FTAC).

Mahalo,
Melanie Lau, MD
