**POSITION:** The State Health Planning and Development Agency supports the  
nomination and confirmation of Ms. Christine Cabingabang-Tingcang to  
the Health Planning Council, West Oahu Subarea (WOSAC)

---

**Testimony:**

Thank you for your consideration of the confirmation of Gubernatorial nominee, Ms. Christine Cabingabang-Tingcang, Health Planning Council, West Oahu Subarea (WOSAC).

Ms. Cabingabang-Tingcang is a licensed Bachelor-of-Science RN (HPU) with an Associate Degree in Health Administration from Denver Business College. She has a career of more than 20 years in health care experience in Hawaii.

She is currently Clinical Operations Manager for the MSMP Physician Group in Aiea where she leads care coordination and quality improvement efforts and oversees a clinical team. She previously led clinical teams in quality-of-care improvement at FirstVitals Hawai'i, Ohana Health Plan in Kapolei, and has also worked previously with HMSA and Kaiser Permanente.

In addition, she was Program Director at Child and Family Services (CFS) for the Enhanced Healthy Start Program in Ewa Beach. She served there as a liaison between DHS-Child Welfare Services and the CFS, also developed their family planning services and staff training programs there.

Suffice it to say, she has a wealth of service as nurse, care coordinator, physician practice operations manager, and community advocate. Her interest in representing the healthcare needs of her west O`ahu community for SHPDA on the WOSAC, along with the clinical skills and experience she brings to that role, will make her an excellent member.

Mahalo for hearing this excellent GM nomination.
