Thank you for the opportunity to testify on this bill. The Campaign Spending Commission ("Commission") supports this bill.

This is a housekeeping measure. In 2025, the Legislature appropriated \$2.2 million dollars to the Commission to upgrade and modernize the Commission's electronic filing system. The updated electronic filing system will permit candidates, candidate committees, and noncandidate committees to electronically file campaign finance forms electronically and is scheduled to be implemented by December 2026. This bill amends various sections of Hawaii campaign finance law to conform filing requirements with the upgraded electronic filing system.

The Commission requests that this Committee pass this bill.
