Senators Jarrett Keohokalole and Fukunaga-

Since you do not intend to hear the SR noted above, but instead are planning to do a gut and replace, I wish to point out that gut-and-replace, is ILLEGAL as determined by the Hawaii Supreme Court.

I am astounded that you would try to do this! I am so sick of politicians who seem to believe that they are above the law, while making laws for other people. Please drop this resolution and cancel this hearing Whatever you or I or others think about the Proposed SD 1, this is NOT the way to legislatre. I would have expected better of both of you.

I think it's important to have a full-time committee so things can be done in an orderly manner and not have to wait a year to hear back.
