ACT 116

H. B. 286.

**A Bill for an Act Relating to Highways and Amending Section 111-6, Revised
Laws of Hawaii 1955, as Amended.**

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. Section 111-6, Revised Laws of Hawaii 1955, is hereby amended to read as follows:

“Section 111-6. Combination of federal and state funds. (a) Every agreement for the engineering or construction of federal-aid highways or for the acquisition of rights-of-way for these highways shall be made on behalf of the State by the director of transportation. The provisions of section 9-36 shall be applicable only to that portion of the price as is payable out of local funds. As to that portion of the price as is payable out of federal-aid funds, the agreement is that the State will pay the contractor only out of federal funds actually received for that portion of the project and is not a general agreement on the part of the State to pay that portion out of any other funds. Each agreement shall be deemed to contain a provision to that effect whether specifically included or not.

“(b) Any moneys appropriated for the State’s share of the price or any moneys in the state highway fund created by section 129-11, in the discretion of the director of transportation, may be drawn upon to advance the federal share of payments (1) earned by contractors on federal-aid projects for completed portions of the work or (2) due the owners for property conveyed by them where the necessary federal-aid moneys are not immediately forthcoming, the appropriation or fund to be reimbursed for such advances when federal-aid moneys are received.”

SECTION 2. This Act shall take effect upon its approval.
