

A Bill for an Act Relating to Leases of State Lands.

*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. Section 171-36, Hawaii Revised Statutes, is amended by adding thereto a new subparagraph to read as follows:

“(9) No lease of public lands, including submerged lands, nor any extension of any such lease, shall be issued by the State to any person to construct, use or maintain a sunbathing or swimming pier or to use said lands for such purposes, unless such lease, or any extension thereof, contains provisions permitting the general public to use said pier facilities on the public lands and requiring that a sign or signs be placed on said pier, clearly visible to the public, which indicates the public’s right to the use of such pier. The board shall, at the earliest practicable date, and where legally possible, cause all existing leases to be amended to conform to the provisions of this subsection. The term “lease”, for the purposes of this subsection, shall include month to month rental agreements and similar tenancies.”

SECTION 2. This Act shall take effect upon its approval.
