

A Bill for an Act Relating to the Lapsing of Capital Improvement Funds and other Funds.

*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. The legislature finds that funds have been appropriated for capital improvement projects and other purposes but have not been expended due to changes in circumstances or the nonfeasibility of projects. The legislature further recognizes that such funds, by law, are restricted to those projects for which they were appropriated. In view of such a restriction, the legislature feels that such funds which were authorized in the capital improvements and other acts, but have not been encumbered or expended may be put to further use. The purpose of this Act is to lapse all unencumbered capital improvement appropriations and other appropriations deemed unnecessary which have not otherwise been lapsed by law.

SECTION 2. Any law to the contrary notwithstanding, all authorized appropriations under Act 193, Session Laws of Hawaii 1961; Act 194, Session Laws of Hawaii 1961; Act 195, Session Laws of Hawaii 1961; Act 30, Session Laws of Hawaii 1962; Act 201, Session Laws of Hawaii 1963; Act 52, Session Laws of Hawaii 1964; Act 195, Session Laws of Hawaii 1965; Act 38, Session Laws of Hawaii 1966; Act 217, Session Laws of Hawaii 1967; and Act 278, Session Laws of Hawaii 1967, which are not encumbered by June 30, 1972 shall lapse as of that date.

SECTION 3. Any law to the contrary notwithstanding, all authorized appropriations which are not encumbered shall lapse as listed herein:

(a) Projects appropriated or authorized by Act 40, Session Laws of Hawaii 1968, which are unencumbered by June 30, 1973 shall lapse as of that date.

(b) Projects appropriated or authorized by Act 155, Session Laws of Hawaii 1969, which are unencumbered by June 30, 1974 shall lapse as of that date.

(c) Projects appropriated or authorized by Act 187, Session Laws of Hawaii 1968, which are unencumbered by June 30, 1973 shall lapse as of that date.

SECTION 4. This Act shall take effect upon its approval.

(Approved June 21, 1971.)
