

ACT 13

H.B. NO. 9

A Bill for an Act Relating to Capital Improvements.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. The purpose of this Act is to change the source of funding of certain capital investment projects authorized by Acts 195 and 197, Session Laws of Hawaii 1975, as amended.

SECTION 2. The appropriations and authorizations, as the case may be, setting forth the sources of funding specified for certain capital investment projects as set forth in those items numbered in Section 88A of Act 195, Session Laws of Hawaii 1975, as amended by Act 226, Session Laws of Hawaii, 1976, as hereinafter set forth are amended to read as follows:

"PART IVA. CAPITAL IMPROVEMENTS

SECTION 88A. The following sums of money or so much thereof as may be necessary are hereby authorized or appropriated, as the case may be, for the fiscal year beginning July 1, 1976 and ending June 30, 1977, from the source of funding specified for the capital investment projects and the project adjustment fund listed below. The letter symbol in the code column after each project appropriation indicates the source of funding and shall have the meaning set forth in section 2 of Act 195, Session Laws of Hawaii 1975. For projects listed under the program area for which the program identification organization is the department of accounting and general services (AGS), the office of the governor (GOV), the department of Hawaiian home lands (HHL), the department of land and natural resources (LNR), the department of planning and economic development (PED), or the department of transportation (TRN), such department or office shall be the expending agency. For all other projects unless otherwise specified herein, the department of accounting and general services shall be the expending agency. Several or more related or similar projects may be combined into a single project, if such combination is advantageous or convenient, for land acquisition, design and construction purposes, provided, that the total cost of the projects thus combined shall not exceed the total of the sum specified for the projects separately. General obligation bonds may be issued as provided by law to yield the amount that may be necessary to fund the project adjustment fund and to finance projects authorized herein and designated to be financed from general obligation bond fund and to finance projects authorized herein and designated to be financed from the general obligation bond fund with debt service cost to be paid from special funds, provided that the sum total of the general obligation bonds so issued shall not exceed \$160,354,000. Nothing in this section shall affect the continuing effectiveness of the appropriations for the projects listed in section 88 of Act 195, Session Laws of Hawaii 1975. (The amount after each cost element and the total funding for each project listed in this section are in thousands of dollars.)
