

A Bill for an Act Relating to Grants-In-Aid to County or State Agencies for Eligible Water Pollution Control Facilities and Plans, Concepts and Projects Related to such Eligible Facilities.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. Section 342-34, Hawaii Revised Statutes, is amended to read:

"Sec. 342-34 Treatment works; construction grants. The director may make grants to any state or county agency of state funds as authorized and appropriated by the legislature for the construction of necessary treatment works and for other projects intended for wastewater reclamation or wastemanagement by other than conventional means to prevent or to control the discharge of untreated or inadequately treated sewage or other waste into any state waters. He shall coordinate the granting of state funds with available federal funds for the same purpose. No grant shall be made for any project unless (1) the project conforms with the state water pollution control plan, and (2) the project is certified by the director as entitled to priority over other eligible projects on the basis of financial as well as water pollution control needs, and, in the case of treatment works, (3) the application for the grant contains reasonable assurances that the applicant will provide for the proper and efficient operation and maintenance of the treatment works after its construction. If federal funds are available, the applicant shall be required to pay sixty per cent of the non-federal share of the estimated reasonable cost of such approved treatment works as defined by PL 92-500. If federal funds are not available, the director may make grants up to one hundred per cent of the estimated reasonable cost of the project."

SECTION 2. Statutory material to be repealed is bracketed. New material is underscored. In printing this Act, the revisor of statutes need not include the brackets, the bracketed material or the underscoring.*

*Edited accordingly.

SECTION 3. This Act shall take effect upon its approval.
